2006 is an Exciting and Important Year for Vermont Democrats:

2006 is a critical year because Vermont Democrats have an opportunity to:

Send the values of Vermont Democrats to Washington

Senator Leahy, Senator Jeffords, and Congressman Sanders have fought the corrupt Bush/Frist/Delay agenda. Vermonters must not send Republican foot soldiers like Rich Tarrant and Martha Rainville to Congress.

Get rid of Jim “Scissorhands” Douglas and Elect Scudder Parker

Jim Douglas spends a lot of time making public appearances and cutting ribbons. Vermont needs a Governor who will lead the fight to reform healthcare and plan for our energy future. Scudder is the leader Vermont needs.

Help keep our majority in Montpelier

Republicans are looking for a divisive issue so they can reclaim the legislature. Our House and Senate leadership have done great work – let’s keep them in power.

The recent Democratic Gubernatorial wins in VA and NJ and President Bush’s dismal approval rate of 29% in the state demonstrate that the public is fed up with the divisiveness of the Republican Party

We can elect Vermont Democrats up and down the 2006 ticket if we sign-up now, work together, contribute and back our fine Democratic team.
