Hello my name is \_\_\_\_\_ and I’m a local Volunteer with the Democratic Party. (If you have a walk list) Is \_\_\_\_\_ home?

Today people all across America are talking with their neighbors about the tough issues that the Democratic Congress and our Governors are tackling.

Here is some information about the Democratic Party and what we are fighting for.

**Democrats are working on the following issues**

**Which issues are the most important to you?**

- 1. Restoring open government and ending the Republican culture of corruption**
- 2. Changing course in Iraq, taking care of our troops on the battlefield and at home**
- 3. Increasing the federal minimum wage**
- 4. Making college more affordable**
- 5. Enacting the 9/11 Commission recommendations and keeping our communities safe**
- 6. Making America energy independent**

**Thank you for your time. I hope to talk with you again soon. Like you I know together America can do better.**

**(If you receive positive feedback ask the following:  
In November of 2006, Americans all across this country took action and elected Democrats to leadership positions.**

**Will you take action as well and become more involved with the local Democratic Party?**

**There are many different ways you can become involved (from voter registration to writing letters to the editor to working at the polls on Election Day).**

**If they would like to volunteer locally instruct them to sign the post card at the bottom of the door hanger. If they don't fill it out on the spot, ask if you can pick it up later or if they will need to mail it.)**
