

DEMOCRACY

★ BONDS ★

COMMUNITY BUILDING KIT

The Democratic Party is gearing up in every precinct in the country in an unprecedented 50-state organizing strategy.

This extraordinary new commitment is only possible with an equally unprecedented drive to change the way we finance our party. We cannot afford to have a boom-and-bust organization that only gears up a few months before an election. That means a stable financial plan to fund this 50-state organizing plan.

When you get your Democracy Bond you are committing to make a monthly contribution to the Democratic Party to sustain that plan. You join a community of over 20,000 other Democrats committed to building our party everywhere. And for as little as \$20 a month -- less than a dollar a day -- you can build the future of our party.

There is also a broader context to the Democracy Bonds program. Every month Republicans raise nearly \$10 million from special interests -- a stream of money that fuels the Republican culture of corruption and cronyism.

We can do things a different way. A community of just half a million people giving \$20 per month would match their total, grow our organization everywhere, and build a political party beholden only to the people.

COMMUNITY BUILDING KIT

If the 50-State Strategy is one side of the coin, Democracy Bonds are the other. You can read everything you want to know about the community -- including how many Bond holders there are right now -- at <http://www.democrats.org/democracypbonds.html>

Start building a community of Democracy Bonds holders by taking these 3 steps:

- 1** Identify 3 people you know who are committed to the future of our party
- 2** Ask them to join the Democracy Bonds community
- 3** Collect the forms and mail them, or have new Democracy Bonds community members fill out the form online
